REQUEST FOR WITHDRAWAL OF NOTICE OF NON-COMPLIANT
AMENDMENT (37 CFR 1.121), AND RESUBMISSION OF RESPONSE TO
JANUARY 3, 2005 OFFICE ACTION IN U.S. PATENT APPLICATION NO.
10/611,534

Mail Stop Amendment
Commissioner for Patents
Washington, DC 20231

Sir:

This responds to the May 12, 2005 Notice of Non-Compliant Amendment, which for the reasons discussed hereafter was incorrectly issued in respect of the Amendment filed April 4, 2005 responding to the December 6, 2002 Office Action in the above-identified patent application.

The May 12, 2005 Notice of Non-Compliant Amendment stated that the abstract amended by April 4, 2005 Amendment was "Not presented a separate sheet. 37 CFR 1.72." and "Must be on a page by it self [sic]."

In fact, at page 4 of such Amendment, the following text was set out:

"At page 38, replace the Abstract of the Disclosure with the following new Abstract of the Disclosure, *as also set out in identical form on a separate page attached to this amendment*" (emphasis added).

Thus, the amended abstract was in fact presented a separate sheet, by itself, and the requirements of 37 CFR 1.72 were fully satisfied. There was accordingly no deficiency in the Amendment, and it should not have been characterized as non-compliant in character. The office therefore is requested to withdraw such Notice.

In order to ensure that this Amendment as hereby resubmitted is not again deemed non-compliant by the Legal Instruments Examiner's misapplication of the requirements about 37 CFR 1.72, the text at page 5 of this Amendment has been revised to refer solely to the separate page containing the abstract, *as identically attached to the prior Amendment*.

Please amend the specification as set out in **Section I (Amendments to the Specification)** hereof.

Please amend the abstract is set out in **Section II (Amendments to the Abstract)** hereof.

Please amend the claims as set out in **Section III (Amendments to the Claims)** hereof.

Remarks concerning the amendments of the claims are set forth in **Section IV (Remarks)** hereof.
